

Sleepovers Are So Yesterday

Bella Bethesda knows how to host the perfect birthday party. The Bella crew helped two young girls celebrate their seventh birthdays with a beauty-themed celebration this past Spring, and they can do the same for you. Invite your "models in the making" for an unforgettable birthday party complete with everything a true Hollywood starlet needs to be glamorous -- including beauty makeovers, boas and a red carpet to strut their stuff!

If you are interested in learning more about how you can create your own party please call 301-718-9111 or email stacy@bellabethesda.com. We look forward to working with you.
