

Wedding Day Bliss

Planning a wedding is no small feat. While we can't help to arrange a "wedding day" trial, we can sure help to arrange a bridal hair trial! Bring your ideas or photos, and your veil, if possible. One of our expert stylists will work with you to create a look that complements your face and your dress. We'll take photos so you can share the wedding day look with the rest of your bridal party.

We also offer makeup trials with our in-house makeup artists, who will work with you to create a great look for your day or night time wedding.

Care for a mimosa with your updo?

At Bella Bethesda Salon, we offer a variety of special wedding packages for your entire wedding party to make the morning of your wedding just as much fun as the rest of your day.

Bring your entire party to the salon for a private morning-of pampering, or have us come to your house or hotel!

For more information call our bridal coordinator at 301-718-9111 or email stacy@bellabethesda.com. We look forward to working with you.
