## **Bella Bethesda Salon Named Best Salon By *Bethesda Magazine***

*Downtown Bethesda Salon Chosen by Readers as the Best in Bethesda*

Bethesda, MD (January 14, 2009) — In this month's issue of *Bethesda Magazine*, Bella Bethesda Salon, located in downtown Bethesda, was named 'Best Salon in the Bethesda area'; a great accomplishment for a salon that has been in business for just over a year.

"We are honored to be named the best salon in Bethesda. This has been an amazing first year of business and we feel blessed to have such loyal clients who have bestowed this title upon us," said Stacy Dabney Ramirez, co-owner of Bella Bethesda Salon.

Bella Bethesda opened its doors in September 2007 by sisters Stacy Dabney Ramirez and Lindsey Dabney Benitez. The salon offers a full menu of hair and makeup services, featuring a highly trained and creative staff. Bella's 13-plus stylists pride themselves on staying up to date on industry techniques and trends and many continue their education by attending hair and beauty-related seminars throughout the country.

In addition to its salon services, Bella Bethesda has built its name in the community by offering a variety of special promotions, blow dry classes and beauty days. This fall, Bella Bethesda celebrated its first anniversary by joining with Chevy Chase Cars to host a hair show that paired hair styles with automobiles, and last year the salon offered free makeovers to individual who donated 10 inches or more of hair to Locks of Love during their 'Cut It For a Cause' campaign. Bella Bethesda will host the week-long event for Locks of Love again this year from February 7-14.

Bella Bethesda was one of over 60 local businesses chosen as the best in their industry by *Bethesda Magazine* readers. Bethesda Magazine, published six times a year, offers lively, entertaining and informative information, covering the topics that are interesting and important to Bethesda-area residents.

Bella Bethesda Salon is located at 4733 Elm St, 2<sup>nd</sup> floor, in downtown Bethesda, Maryland. For more information about Bella Bethesda Salon visit [www.bellabethesda.com](http://www.bellabethesda.com) or call 301-718-9111.
